## **AMENDMENT ACCOMPANYING PETITION FOR REVIVAL**

Mail Stop Petition COMMISSIONER FOR PATENTS P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

## **Introductory Comments:**

This Amendment is concurrently filed with a <u>Petition for Revival</u> of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b).

On September 21, 2007, we received a Notice of Drawing Inconsistency dated August 6, 2007. Unfortunately, the Notice was received but not added to our docketing system; as a result, the subject application was unintentionally abandoned on September 6, 2007. The concurrently filed <u>Petition for Revival</u> seeks to revive the application. This Amendment responds to the Notice of Drawing Inconsistency by adding a description for Figs. 1 & 2.

(Separately, we are also filing a <u>Petition to Withdraw from Issue</u> to allow consideration of additional art and listing of that art on the issued patent, and entry and consideration of additional claims.)
